CanSkate Policy (2019 – 2020)

CanSkate Policy

I have read and reviewed the CanSkate Fees, Policies and Refund Info Page.

By registering online, all skaters/parents agree to all SMSC policies, including the CanSkate Skater Code of Conduct.

Athlete's Release

It is understood and agreed, as a condition of participation in skating programs offered by Streetsville Meadowvale Figure Skating Club Inc. (SMSC) and Skate Canada, that neither the Club nor Skate Canada nor any Related Parties listed below shall be liable for any injury, loss or damage suffered by the above-noted member or members while travelling to or from or while participating in skating practices, competitions, or other activities, however caused. It is further agreed that neither the Club nor Skate Canada nor any Related Parties are responsible for any injury, loss or damage caused by the member while travelling to or from or while participating in the said practices, competitions, or other activities. The member, or his/her parent/legal guardian who has signed this form, shall indemnify the Club and Skate Canada and Related Parties and hold them harmless from any claims, demands or actions arising from or in respect of such injury, loss or damage. Related Parties means Streetsville Meadowvale Figure Skating Club Inc. and its directors, officers, agents, employees, and affiliates and other partners.

I hereby authorize Streetsville Meadowvale Figure Skating Club Inc. to seek any emergency medical treatment it deems necessary for my son, daughter or legal dependent.

I understand that:

- CSA approved hockey helmets are required until the completion of level 5 and helmet cages are strongly recommended for all skaters in level 1. Skaters must wear proper skates and gloves. Equipment is not available to rent, so participants must make arrangements to have equipment by the first session. Participants without appropriate equipment will not be permitted on the ice.
- SMSC requires that there be an adult responsible for the participant present in either rink 3 or the lobby during the duration of the class.
- Skaters sign up for a specific session and cannot be accommodated on another session if they have to miss a day for any reason. SMSC cannot make up a class or provide a refund if there is a cancellation due to severe weather or other circumstances beyond the control of SMSC.

Skate Canada

I understand that by registering for a skating program of SMSC the skater will be registered with Skate Canada to include insurance coverage and access to all Skate Canada Programs (from September 1 to August 31). I understand that the registered skaters' information - including name, address and birthdate - will be shared with Skate Canada through this website. SMSC does not provide access to this information to any other third party.

CanSkate Refund Policy

I have read and understand the CanSkate refund policy:

- Refund amounts are based on the date of receipt of written notice, submitted during a CanSkate session or emailed to info@smfsc.ca. Include the skater and parent names, skating day, address, and the reason for withdrawal.
- There is no refund for lessons completed prior to receipt of a written notice, regardless of attendance, or for any lessons that take place within 48 hours after the notification is received.
- All refunds are subject to a $10 processing fee (or $20/family if siblings withdraw at the same time) per session.
- Skate Canada membership fees are non-refundable.
- After the final deadlines, withdrawal credits will only be considered for medical reasons, at the discretion of the Board of Directors. Credit notes, for future classes, are valid for 1 year. The deadlines are:
  - Session 1 – October 19, 2019
  - Session 2 – February 1, 2020

Non-Residency Fee

I understand that the SMSC will charge a $60 non-resident fee per skater, payable once per skating season if I am a non-Mississauga resident based on the Billing Address of my registration invoice. If applicable, this fee will be added to my invoice at a later date and charged accordingly.
