

# ICE SHOW 2023

## ONLINE REGISTRATION GUIDE

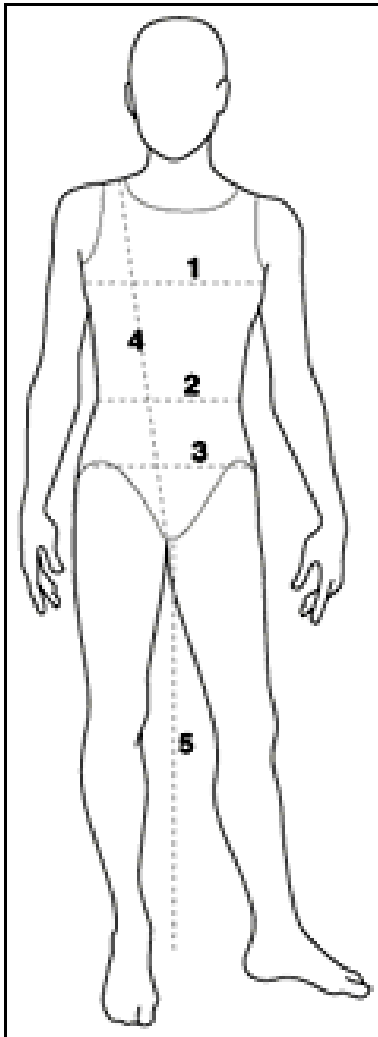

### **PLEASE READ BEFORE YOU LOG IN**

**ALL Ice Show registrations must be completed ONLINE.**

**After you register:** You will need your skater's measurements. We need measurements in order to ensure costumes fit as well as possible. Please be accurate and don't add any allowances. Use this chart to record your skaters' measurements.

**NEED HELP? Attend one of our Ice Show Info Sessions -- one of our volunteers will measure your skater for you.** For dates/times, check your email or our bulletin board (Rink 3).

- Height:** Measure Head to toe, making sure skater stands up straight
- 1. Bust:** Measure around chest at fullest point of the bust
- 2. Waist:** Measure around natural waistline (at belly button)
- 3. Hips:** Measure around fullest point while standing
- 4. Torso** Start by the neck at highest point of shoulder, then measure down over chest through the crotch and continue up the back to starting point.
- 5. Inside Leg:** Measure from top of inner thigh (crotch) to ankle --- be sure skater stands straight!

## **How to Register and Enter your Skater's Measurement Information:**

**Login to your SMSC account and ENTER your Skater's measurements, CONFIRM Skater info, UPDATE any allergies**

1. Click "Login" in the top right-hand corner – enter your username and password to proceed
2. Click on "My Account" on the top right hand corner and then select "Skaters". Click on the skater's name that will be taking part in the ice show
3. Ensure that your skater's first and last name appears as you would prefer in all printed materials for the Ice Show (including cast lists and final printed programs).
4. Update all relevant information regarding the skater's measurement details and allergy information. All measurement fields are required.

**Please be sure to inform us of your skater's serious allergies or other special requirements to help us offer a comfortable environment for everyone.**
