

**Ice Show Picture Day Schedule**  
**Thursday, May 17, 2018**  
**Wednesday, May 23, 2018**  
**Location: Off-Ice Room**

Below is the schedule for the pictures that will go in the program and for the single pictures that will be for sale at the Ice Show. Please note that we have taken the on-ice practice for the night into consideration. We ask all skaters to be in full costume / makeup with their skates on **10-15 minutes ahead** of their scheduled time to avoid interruption to on-ice practice. It may be necessary for some groups to wear their costumes during the on-ice practice in order to be ready in time for their pictures.

**Please wear skate guards to the off-ice room. Starskate girls need beige over-boot skating tights and Canskate girls need beige footed skating tights. We will have skating tights during costume pick-up time for sale.**

**Please note that changes to this schedule will only be made to accommodate any unforeseen conflicts with on-ice practice time. Unfortunately, we are unable to alter the photo schedule if a skater is unable to attend at their group's designated time. We thank you for understanding.**

**It is important that we run on time.**

**PICTURES WILL NOT BE HELD FOR SKATERS WHO ARE LATE!**
