Test Day Tips

- Check the test day schedule. Test day schedules will be posted in rink 3 and in our club website about one week before test day: <https://www.smfsc.ca/pages/starskate/test-days/>. Be sure to double check the day before test day to ensure there is no changes to the schedule.
- Have your skates sharpened about a week before test day
- Purchase and print your Test Day Ticket online
- Have your skating attire prepared (skating costume, hair pieces, leggings, etc)
- Bring a skipping rope and running shoes for warm up
- Prepare to arrive at the arena 1 hour before your actual scheduled time to test
- Check in at the Music Room upon arrival and hand in your test day ticket
- Check in with your coach and warm up
- Believe in your training!

To ensure our test day runs smoothly with minimal distractions to skaters, it is best to view the test event at the upper level of Rink 3 or at the two corners of the rink away from the music room and the pathway where skaters wait for their turn to test.
