IMPORTANT NOTES FOR ALL PARENTS OF SKATERS PARTICIPATING IN SMFSC

SUMMER SKATING 2024

All skaters under the age of 10 who participate in our skating program this season are automatically a part of our extended care program. Our pricing has been built so that extended care is covered for all skaters. Skaters under the age of 10 are automatically enrolled in this extended care and will be a part of the program. Skaters who are older than 10 can choose to be in the extended care program or not. Pricing remains the same, no pricing changes if you don't opt in for extended care.

Extended Care staff are employed by SMSC and will be working from 8am to 4:30pm Monday to Friday.

Skaters under the age of 10 **MUST BE CHECKED IN AT DROP OFF EACH MORNING AND CHECKED OUT AT PICK UP EACH AFTERNOON WITH SMSC STAFF.** Those skaters are required to be with the SMSC staff at all non-class times. Sometimes our staff take the skaters outdoors for some fresh air, so we ask that skaters have the appropriate clothing with them so that they don't have to wear their skating attire outside, as well, sunscreen and a hat are recommended.

SMSC does not offer supervision for those skaters who choose not to take advantage of this program, outside of their on-ice and off-ice sessions. Parents who choose not to register their skater with SMSC staff assume all liability for their skater(s). Skaters under 10 years old are not allowed to be left unattended at the Arena when they are not on the ice or in off-ice sessions (such as breaks, lunch and after programs have ended for the day).

SMSC staff and arena staff are not responsible for supervising children 10+ left in the lobby on their own. We expect all skaters to act responsibly when they are in the arena facility, no running, yelling, or acting irresponsible will be accepted. Those are a direct reflection on our club, and we will not tolerate this kind of behavior from our skaters. Skaters who are found to be acting in this manner will be asked to leave our program and no refund will be given.

Parents are asked to adhere to the start time (8am) and end time (4:30pm) of our extended care program and pick up skaters accordingly. Skaters who register with our staff for the week need to be picked up by 4:30pm, late charges will apply for those who don't adhere to this. Skaters who are 10+ registered in the program will not be left to sit (or run around) in the rink. We are responsible for your skater if you register them with us for this program, adherence to the 4:30pm pick up is required.

Please note there is a late pick-up charge, \$1.00 a minute per skater after 4:30pm. An invoice will be created on your account and must be paid by the end of the week in order to keep your skater in good standing.
