**NEW – YOU SELL YOUR STUFF &
GET YOUR \$\$ ON THE SAME DAY**

- ◆ **We heard your feedback** -- you want a place to be able to find great deals on used skates, clothes or other skating gear. You want to be able to sell your used gear AND you want to collect the cash right away.
- ◆ **NEW SWAP SHOP format** -- This season, we're offering you the space, date and time – plus extra hands to help with skate fitting questions and organization. We'll also have some small change (loonies, toonies, \$5s and \$10s) on hand in case you need it to complete your sale. The club won't take a percentage of any purchases -- so **all cash from your sold items stays with you.**
- ◆ **If you're shopping:** please bring cash (cheques not accepted). Be prepared to make your deals directly with the sellers.
- ◆ **If you're selling:** Bring any items you want to sell on September 16th. Please plan to stay with your items until they sell. All items should be tagged with your name and selling price. All unsold items must be taken back by seller (or designate) by 12:30 pm September 16th. As our club has limited space for storage, any unclaimed items will be donated to charity on the afternoon of September 16th.
